

To whom it may concern,

I am Sean Cyrill de Guzman, owner of account **0026-3330-59**. On October 7, 2022 around midnight, I attempted to transfer a total amount of *P10,500* to a **UNION BANK** account with account number **1096 6265 1030** of Rio Charmine Franco.

To my surprise, I mistakenly picked **UNION DIGITAL BANK** during the transfer, thinking it is the same bank.

Today, I am requesting through this letter of regression to revert the transfer caused by a misunderstanding.

Ref. CCC-5733782022

Thank you,
